

Professional rider with advanced skills shown.

RM-Z450

RM-Z
The Winning Balance

FOUR-STROKE SUPREMACY

- A. Thoroughly redesigned engine, chassis and suspension provide crisper more responsive handling and more low-end and mid-range power.
- B. Easy starting, hot or cold, thanks to an automatic centrifugal decompression system and a carburetor with hot start circuit. New hot start lever is relocated to the handlebar for easier access when riding.
- C. Front (250mm) and rear (240mm) disc brakes provide excellent stopping power. A new rear brake caliper is more rigid for improved feel, and a Kevlar® front brake hose reduces weight and enhances feel at the lever.

MONMOUTH CYCLES

At Suzuki, we want every ride to be safe and enjoyable. So always wear a helmet, eye protection and protective clothing. Never ride under the influence of alcohol or other drugs. Study your owner's manual and always inspect your Suzuki before riding. Always supervise young riders. The RM and RM-Z series motorcycles are for closed-course competition use and related practices only. Suzuki, the "S" logo, and Suzuki model and product names are Suzuki Trademarks or ®. © American Suzuki Motor
