Drag Racing Rules and Classifications

All cars will be NHRA inspected. Helmets required. Seat Belts required. Slicks and open exhaust allowed in all classes. Each individual will dial in their E.T. for the eliminator.

Inspection will be liberal, but the following will be required:

- All Roadsters will be inspected on an individual basis for safety. 13.49 and quicker need Roll Bar.
- All T-Buckets need Roll Bars. Coupe & Sedans running 11.49 or quicker need Roll Bars.
- Safety Scatter Shields required in modified engines using stick shift trans.

Drag Race Classes - Trophy to All Class Winners and Runner-ups. Beat an opponent and win a trophy.

STREET RODS/ STREET MACHINES – 1972 and under. **Winners of Classes A-D compete in the KING OF THE HILL Eliminator.**

No electronics, transbrakes or delay boxes allowed. No Raceway Park Buck Points Racers from past 5 years.

A – 10.00-11.99 B – 12.00-12.99 C – 13.00-14.99 D – 15.00 and above

NC - New Competition Cars, All Pre '72, any late style engines accepted. All bracketized racecars will run this eliminator-management discretion. Electronics ok – No Delay Boxes allowed. Anything goes. 1 time trial.

DOES NOT RUN IN THE KING OF THE HILL. Trophies to Winner and Runner-Up / No payout.

NETO MUST be a member to compete in the 2 Bracket classes below.

Nostalgia Eliminator - 9.50 and Slower Dial-in **Comp Eliminator** - 7.00-9.50, Pro Tree, 1/4 second interval dial-in
